***** Please make sure to STAPLE your assignment.** Please avoid using paper clips, tape, bulldog clips, pins, twist-ties or folding the corner (the pages may come off and get caught with another assignment). We are not responsible for any missing pages if you did not STAPLE your assignment.

***** Please make sure to hand in a CLEAN COPY of your assignment.** Pages with scratched out work, answers scattered across several pages or are otherwise hard to decipher are less likely to get full marks as we cannot follow your logic.
